Attached please find the petition-final MDP and ER in both Word & PDF formats.

I have also attached the database with an updated date to match the new MDP & ER. There are no changes to the database except to update the year in the headers of two of the supplemental tables. The BID originally aimed for 2016 midyear start, so everything was 2016-2020. Now it is 2017-2021, per the decision to start on 1/1/17. No changes to parcels, assessments, etc., since the 1/19/16 version, although I am sure we will end up with some updates as we go through the petition phase.

All docs bear today's date. Happy St. Patrick's Day to any of you who are Irish or just like to celebrate anyway :)

We will be finalizing our petition packets in the next week or so. Thank you all for your help.

Warmest regards,
